**Subject:** FINAL R2 Report Errata Sheet

Hi Valerie -

Please notify EPA that a final Comprehensive Round 2 Report errata sheet has been posted on the LWG's portal. This sheet contains corrections to all mis-statements found in a final review of the document by our technical editing staff. Most are corrections to figure or map calls, but there are a few text clarifications, and a few missing figures are included. Hardcopies will be sent to EPA and its partners next week.

The location of the errata sheet is as follows:

PHCP Files | Documents Under Review | 2007-02-21 Comprehensive Round 2 Report | Errata

Thanks,

Sandy

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by telephone at (360) 705-3534, or by electronic mail at [sbrowning@integral-corp.com](mailto:sbrowning@integral-corp.com)
